THE  
**DARTMOUTH**  
SUSTAINABILITY  
PROJECT

Present Dinner with ...

**When : Tuesday Nov, 6:30 PM**  
**Where: 53 Commons, Upstairs**  
**Who: Barton Seaver and YOU**  
**What:** Grab dinner, specially prepared by Barton Seaver and DDS chefs, and bring it upstairs for a dinner discussion with our visiting chef!

*For Cod and Country* is part of Seaver's mission to help us engage in a more sustainable food system on nearly every level. The story of successful conservation is a lesson of responsible consumption. It is a tale of the opportunity that we have to make tasty and personally sustaining choices that keep our needs in balance with what the world can provide. **Learn more at [www.bartonseaver.org](http://www.bartonseaver.org)**
