

16's! After reading the summer book, come learn about better options for WV at the next...

Sustainability Solutions Café

West Virginia's Love Affair with Coal

Featuring Jeremy Richardson
*Kendall Fellow in Clean Energy Innovation
Union of Concerned Scientists*

Thursday, February 21
6pm Brace Commons,
East Wheelock

Interactive lecture and informal discussion over a plate of spaghetti cooked for you by students going on the Alternative Spring Break to West Virginia. There will be a small optional donation for the ASB.

Sponsored by the Porter Fund for the Sustainability Minor
