

# One in six go hungry

Nearly one in six people do not get enough food to be healthy and lead an active life. Most of these people live in developing countries.

## WORLD FOOD DAY EVENT

EVER WONDER WHAT FOOD AID TASTES LIKE?

Join us in Collis Commonground at 6:30 PM, we will be serving "Dinner In A Box" and Boloco.

"Dinner in a Box" is food aid distributed internationally by NGOs. Come see what it tastes like and discuss effective solutions for reducing hunger worldwide. In addition, **Dr. Butterly**, author of **Hunger: The Biology and Politics of Starvation**, will be speaking and starting off our discussions. Performances to follow!

Please **RSVP** to [Dartmouth.Coalition.for.Global.Health@Dartmouth.edu](mailto:Dartmouth.Coalition.for.Global.Health@Dartmouth.edu)!
