

Stories Growing Films (SGF) Documentary Idea Submission Guidelines

For the first time ever, SGF is accepting ideas for short-form documentaries. Because documentaries can't be written traditionally, please follow the following guidelines when pitching your documentary idea,

- 1, Put the name of the title at the top of the page.
2. In 500 words or less, pitch us your idea. What is it? Why should we make it? Why would it be compelling?
3. Describe how the documentary would work logistically. Would there be interviews? Ridealongs? A narrator? Be as detailed and as specific as you possibly can in sharing your vision with us.
4. Send the finished proposal in PDF format to sgfvote2013@gmail.com. NOT THE CLUB ACCOUNT. Your proposal should not contain your name anywhere on the document.

Good luck!
