

INT. BACKSTAGE DRESSING ROOM - EARLIER

ROXIE

No. (BEAT) Get out of here.

FRANC

Let me show you what we are dealing with.

ROXIE

No, it is not the amount. It is the fact that-

FRANC

I know I barged in on you and I thought this might be the only opportunity I would get and I know you

ROXIE

**It is the fact that** you left without saying bye without explanation without anything. One day here. One day not.

FRANC

I can't do it alone. I need everyone's help with this one.

ROXIE

Get out.

FRANC

I know you don't like doing **this**. There are better things out there even if its not doing stuff with us. You're better than this.

ROXIE

I really want a lecture from someone like you.

FRANC

Jenny.

ROXIE

What about her.

FRANC

She's sick, Rox.

ROXIE

No. (beat) How sick?

FRANC

Like research and test tube and shitting the bed level sick

ROXIE

Oh. No.

FRANC

Yah

ROXIE

What do we need to do?

FRANC

I do this for me.

ROXIE

So? Let me see it.

FRANC hands him a piece of paper. ROXIE unfolds it.

ROXIE

Is that the entire score?

FRANC

That's just your take.

ROXIE

Wow. How's that even possible?

FRANC

Well if I can't get the entire group together. It is not going to be.

ROXIE

You said you talked to Paddy. Have you talked to Joel?

FRANC

Nah he's next.

ROXIE

What did Paddy say?
