

UTILIZING GET FUNDS AND YOUR DA\$H ACCOUNT FOR FUNDRAISING:

- Share the following link along with your 9-digit DA\$H number with individuals you want to contribute to your fundraising efforts.

https://get.cbord.com/dartmouth/full/guest_deposit.php

- The person who wants to give you money enters your 9-digit DA\$H number on the page that opens.

The screenshot shows the 'GET Funds at Dartmouth' interface. At the top, there is a green header with the 'GET' logo and the text 'Welcome to GET Funds at Dartmouth! Manage Your Money, View Balances & more!'. Below the header is a progress bar with four steps: '1 Student ID' (highlighted in green), '2 Add Funds', '3 Confirmation', and '4 Finished!'. The main content area features the Dartmouth University crest and the word 'Dartmouth' in a large green font. Below this, there is a prompt: 'Identify the recipient using the fields below.' followed by a text input field labeled '9 Digit Da\$h Number'. At the bottom left, there is a 'Continue' button and the text 'or Cancel'. At the bottom center, there are links for 'GET Help | Terms of Use | Privacy Policy'.

- When they proceed to the next page they are presented with a confirmation of your name, and then are asked to complete the transaction, much like any other online purchase. **Ensure that the user adds it to Discretionary** and not Fines & Fees.

Welcome to GET Funds at Dartmouth!

Manage Your Money, View Balances & more!

✓ Student ID 2 Add Funds 3 Confirmation 4 Finished!

Dartmouth

You are depositing to the account of Adam Hunter Baillie.

If this is incorrect, go back to to Step 1 to identify the recipient.

There is a \$10.00 minimum deposit.

Fill out the fields below and press Continue to view a confirmation screen. Your credit card will not be charged by pressing Continue.
