DONATE TO THE SUSTAINABLE MOVING SALE

Since 2006, we have held an annual sale at the start of orientation week to provide incoming students with college life essentials. All of the items at the sale have been donated and recycled by students like YOU to make our campus as sustainable as possible.

Smaller Items can be placed in the SMS recycling bins located in your dorm. If you would like to donate furniture, bikes, fridges, or storage containers, blitz “sustain.”

Why Donate?

- ✓ BE SUSTAINABLE
- ✓ AVOID \$40 CLEANING COST
- ✓ SIMPLE PROCESS
- ✓ HELP OUT INCOMING STUDENTS
