

Informational Webinar

Federal Technology Consulting

Students Interested in Technology Consulting,

Deloitte Consulting's Federal Practice is hiring students from a variety of majors and backgrounds.

If you're thinking of pursuing a career in technology consulting, then joining our Federal practice could be of interest to you. An entry-level role in our practice provides you the opportunity to sharpen your analytical and business skills while working as part of a team committed to developing executable strategy and technological applications for key federal clients. As a Federal Technology practitioner, you will have the opportunity to work across a wide range of projects and tackle the complex business problems impacting the public sector.

Please join us for an informational webinar to learn more about the Federal Technology Practice as well as the Federal Business Technology Analyst positions currently posted on your Career Center's website. There will also be an opportunity to ask questions at the end of the presentation. Please check the posting on your Career Center's website for the deadline to apply but note that most applications are due by **September 25, 2016 at 11:59pm EST.**

Event Date: Thursday, September 22nd, 2016

Event Time: 6:30 – 7:30 PM EST
