@ Magnuson Center for Entrepreneurship

4 Currier Pl, Hanover, NH 03755 (Behind
BVAC)

- *Do you have a startup and are looking for student interns?*
- Come to the dinner and learn more about the formal process
- DEN Campus Ventures pairs ventures with motivated students interested in pursuing careers in entrepreneurship.
- Projects can span a variety of skill sets, such as engineering, design, business development, and marketing.
- Ventures receive up to five students to work on a project. Students gain valuable insight into how startups are formed and operated.
