

# Health Access for All (HAFA)

## HOW DO WE CARE FOR OUR COUNTRY?

1

### RAISE FUNDS

for medical procedures for people in the Upper Valley who can't afford these expenses.

2

### RAISE AWARENESS

about health and healthcare disparities, on a community and national level.

3

### PROMOTE A COMMUNITY

of students at Dartmouth interested in making an impact in health care.

Interested in joining or want to learn more?  
We meet Saturdays at 4:30pm in Berry 178K!
