Research Assistant and Clinical Research Assistant Positions at Tisch MS Research Center

The Tisch MS Research Center is beginning to search for new research assistants and clinical research assistants to begin work during the summer of 2023. To learn more, please review the [JOB DESCRIPTIONS](#).

Stanford Radiation Oncology Assistant Clinical Research Coordinator Position

Hi Sarah and Rae,

I hope you are all doing well and staying warm!

Stanford's Department of Radiation Oncology is looking to hire Assistant Clinical Research Coordinators for the upcoming year. I have had an amazing experience working in this department and strongly encourage current students and recent alums to apply. Please feel free to share this job posting; I would be happy to advise if any potential applicants have questions. Thanks!
