[Tuesday, March 21st](#)

[Monday, April 17th](#)

We look forward to meeting you!

For more information, please visit our website medli.nyu.edu or email the Office of Admissions at Medli.admissions@nyulangone.org.

Goals:

To tell you more about our innovative three-year accelerated, tuition-free medical education program that offers a direct pathway to residency at NYU Langone Hospital – Long Island in specified primary care fields

To answer any questions you may have about our school's primary-care focused mission & vision, inclusive & supportive learning environment, and the diverse community we serve.

NYU Long Island School of Medicine's mission is to develop preeminent physician leaders and a diverse workforce through scholarship and innovative medical education design anchored in the principles of primary care and health systems science. Our vision is to improve the health of the communities we serve by advancing medical education, scientific discovery, and comprehensive, equitable, collaborative health care delivery.
