

Dartmouth Outing Club Elections 2011

The following DOC members are running for DOC officer positions for academic terms
Spring 2011 – Winter 2012.

Elections will be held at 7:00 pm in Dartmouth Hall, room 105 on Thursday, March 3rd, 2011. All undergraduate DOC members may vote. If a member is off campus or cannot attend, an absentee ballot may be obtained by emailing DOC.President@dartmouth.edu.

Request for an absentee ballot must be received prior to 6:00 pm March 3rd.

In the following tables, black indicates that the student is NOT running for election for that term.

President:

	11S	11X	11F	12W
Rob Collier				
Brian Seitz				
Riley Kane				

Vice President:

	11S	11X	11F	12W
Ellen Roy				
Brian Seitz				
Remy Franklin				
Emma Smithayer				
Billy Zou				
Rosemary Shay				
Nancy Dietman				
Gerben Scherpbier				

Treasurer:

	11S	11X	11F	12W
Jeremy Brouillet				
Chloe Gettinger				

Candidates have submitted short statements, which are listed on the following pages.
Additional short speeches will be given at elections, after which ballots will be due.

DOC PRESIDENT

Rob Collier '13

Running for: President

Terms: 11s, 11x

I have been involved with the DOC primarily due to my role in the Mountain Biking Club. I became the MBC co-chair during my freshman spring and have been putting in efforts since to try to develop and grow the club using a similar model to other sub-clubs in the DOC. I have become familiar with the workings of the DOC and OPO through my involvement with this process and with my experience with the Big Green Bus. I feel that I have the knowledge, background and enthusiasm to make a positive contribution to the DOC.

Brian Seitz '12

Running for: DOC President

Terms: 11F, 12W

I first became involved in the DOC freshman spring, when I first went whitewater kayaking. As I became active in Ledyard, I started meeting people in other subclubs, and started branching out: while I still haven't been climbing, I did cook a DMC feed once; I've been on multiple mountain biking and DOC social trips; I even learned to XC ski this winter. More importantly, my involvement has made me familiar with the inner workings of the DOC and OPO, which will allow me to work efficiently with the office staff to maximize the club's activities. As President, I aim to improve the club's use of our resources, to offer better outdoor experiences to more Dartmouth students. By making active club members more aware of what is available to them, and making these resources more accessible, we can run more and more exciting trips, for everyone from beginners to experts.

Riley Kane '12

Running for: DOC President

Terms: 11S, 11F, 12W

Riley Kane was a Robocop freshman year, Vice President sophomore year, chair of the Snow Sculpture build the past two years, a Freshman Trip leader, and a Sophomore Trip leader. He is a DMC sport leader, a Ledyard flatwater leader, Safety Dork, Climbing Croo Chief, and will soon be a Woodsmen leader.

The DOC is the reason I came to Dartmouth, and the reason that I have stayed. I want to give back all that it has given me. I will do my best as President to facilitate new ideas and make things run smoother. I will initiate a new Robocop program and see to it that more students have the opportunity to come to subclub meetings and feeds by walking with them from Robo. In the end, I will not be here to drastically change the great character of the DOC; rather, to have it endure. Please, vote Riley Kane.

DOC Vice-President

Two VPs serve each term. Please vote for two candidates for each term.

Gerben Scherpbier '14

Running for: DOC Vice-President

Terms: 11S, 11F, 12W

Hey DOC! I am running for VP because I am looking for a way to help with the operations of the club and meet more awesome people. I have already met some really cool, enthusiastic, weird (in a good way) and nice people through DOC and I want to work with them to get people outside, having fun. I think I would make a good VP because I am outgoing, organized, and enthusiastic about the DOC. I work well in groups and I think I could really help the president and other members of the club where they need it. I realize that I lack some of the experience that the more veteran members of the club have, but if given the opportunity, I can learn quickly and will be able to use that new knowledge to help the club in the next few years.

Ellen Roy '13

Running for: DOC Vice-President

Terms: 11S, 11X

I joined the DOC freshman year through the nordic ski team. During freshman year I also began climbing on the DMC spring break trip to Red Rocks, and in the spring I took both the sport leading and kayak rolling PE classes. Over freshman summer I served as Ledyard's vice president and Junior Business Director. This summer I will be the senior business director. I hiked The Fifty in the summer, and then went on to be a director of The Fifty in the fall. I also served as a last-minute substitute for a freshman trip leader who sprained her ankle the day before her hike and yoga trip was set to leave. As DOC vice-president, I would like to work with the president to reach out to the campus and try to eliminate some of the exclusivity in the DOC. I am also interested in helping the mountain biking club and other smaller subclubs continue to gain momentum and grow. My leadership experience in a variety of subclubs will help me bridge the gap between the different subclubs.

Remy Franklin '13

Running for: DOC Vice-President

Terms: 11F, 12W

I would like to be the DOC Vice President 11F and 12W primarily in order to give back to the DOC, which I consider the most influential and dynamic club on campus. I also want to take this opportunity to become more involved in the administrative side of the DOC and to interact more with all of the member clubs. I am qualified for the position

because I work well with students and administrators and am organized and hard working. I am involved in the DOC primarily as an active DMC member and Leader, but I have also taught PE Classes, participated in and supported events such as the Fifty and Fall Weekend, and was a First-Year Trips crooling. In addition to this direct involvement, I have skirted other member clubs through desk-working at Ledyard, Mountain Biking, attending Farm events, and being a proud friend and fan of the Nordies.

Rosemary Shay '13

Running for: DOC Vice-President

Terms: 11F, 12W

The DOC has been a huge part of my Dartmouth experience. I have been active in Cabin and Trail since freshman fall and became a leader this year. I have had wonderful outdoor experiences and made friends with people I may never have known were it not for the DOC. This club has given me so much, and I would be honored to have this opportunity to give back to it, while also expanding my own experience with the club beyond Cabin and Trail. As VP, I would want to work on events like DOC weekends that reach out to the rest of campus, as well as working on issues of inclusivity and promoting collaboration among the subclubs and with clubs from other schools. Our club exists for the benefit of the whole Dartmouth community, and I want to help share the wonderful entity that is the DOC with everyone!

Emma Smithayer '12

Running for: DOC Vice-President

Terms: 11S, 11F, 12W

Since my freshman winter, the DOC has given me many of my favorite Dartmouth memories, from skiing down Mt. Moosilauke to finishing the Fifty, and it's taught me so much. I became a CnT leader my sophomore winter, and I would love the opportunity to give back to the club on another level as a vice president. The DOC was a major reason I chose Dartmouth, but I didn't get involved my freshman fall because I didn't really know how, thought maybe all the trips were too intense, and thought I had to have green hair and be able to spontaneously customize pop songs. Nowadays I'm not sure how I managed to be so oblivious, but that experience makes reaching out to new people especially important to me. In particular, I'd like to increase the number of multi-level, multi-subclub trips like the one to Acadia over 10X, which I think help bridge the gap between people who are just starting out and the most dedicated members.

Billy Zou '12

Running for: DOC Vice President

Terms: 11F, 12W

Hi! I've enjoyed getting to know more of the inner workings of the DOC this year and I'm interested in serving as VP next year. I have experience working in administrative roles in various organizations and I enjoy handling logistical challenges. I've been involved in the DOC since Fall '09, mostly with Cabin and Trail, and I was involved with freshman trips this year as a member of Vox; I currently serve on the CnT directorate as heeler chair. I love working with the folks in OPO and DOR. I also have plenty of ideas for new things the DOC could do, for example to make things a little more open and attractive to more students.

The DOC is obviously important to me and I'd be thoroughly thrilled to play a part in its maintenance and its future.

Nancy Dietman '12

Running for: DOC Vice President

Terms: 11F, 12W

I'm running for Vice President for fall 2011 and winter 2012. I'm looking to run for this position because I think I would add some continuity to the DOC leadership—I've been VP for this past term as well as summer term, and led the DMC this fall. With the president position turning over from summer to fall, I would be a good resource as the new president tries to get his or her feet under them. I know how things happen around the DOC and how to make things happen. As vice president, I would like to work on adding more follow-up to Schlitz funding giving back, which I think I am well positioned to do since I will be on all of next year.

Brian Seitz '12

Running for: DOC VP

Term: 11X

Qualifications listed above: [see DOC President page]

I want to be VP over the summer for a couple reasons:

- 1) I'll be here.
- 2) It would be good training to be President down the road.
- 3) Rob agreed to run as Prezzy if I ran as VP. Hi Rob!

DOC TREASURER

Jeremy Brouillet '13

Running for: DOC Treasurer

Terms: 11X, 11F, 12W

I am running for DOC Treasurer both because I spend a lot of time on trips and want to give back to the club, and I am also interested in learning and successfully operating a large organization such as the DOC. Within the DOC, I am a leader in CnT and am organizing the CnT spring break trip. I have done a few trips with the DMC and Ledyard and would like to do more with them and the rest of the DOC. I want to ensure the DOC is accessible to all socio-economic classes and the budget is put together fairly and in a way that will encourage growth. I am interested in business, have audited a class at Tuck, and feel that I am organized enough to be qualified for this position. The DOC is awesome, and through my efforts I want to make it even more awesome.

Chloe Gettinger '13

Running for: DOC Treasurer

Terms: 11S, 11X

Experience with the DOC: Everything from trips, cabin renting, river activities, to weekend hikes, climbing, and skiing. Member of Ski Patrol.

Qualifications: I'm a good math student and have a sufficient amount of real world experience in finance. Last summer, I interned in account management at an ad agency and handled the production budget (filing expense reports, tracking where money was being allocated, etc.). I found it's something I'm pretty good at and that I actually enjoy doing. I think I would make a dedicated and effective treasurer, and I would be honored to be an officer of the DOC, which plays such a quintessential role in the Dartmouth tradition! As a member of Ski Patrol, I recognize the DOC's persistent hard work in support of our cause and our goals. I think it is important to reciprocate these efforts and to remain connected as a community.
