

## *The Appalachian Trail*

*For nearly 100 years, the ATC has protected and maintained a scenic 2,190-mile long footpath that stretches along the eastern U.S. from Main to Georgia.*

*The AT corridor provides invaluable habitat for wildlife and connects visitors to its vast natural beauty and priceless cultural heritage.*

*Think our wildlands are worth saving?*

*Volunteer with the  
Appalachian  
Trail  
Conservancy  
&  
Dartmouth Outing Club*
