

Barn Raising Party

Dartmouth Organic Farm

November 10th, 2012

Celebrate the completion of the new timber frame barn at the Dartmouth Organic Farm and the many helping hands who made it possible.

Event Schedule

4-6 pm **Community Gathering and Fall Festivities**

Bring the whole family out for the Barn Party -- fun fall festivities include face painting, cider pressing, farm exploring, and s'more making by a warm fire. Take a walk through the newly completed barn while enjoying appetizers and music. Please wear a sweater (it's November) and closed toe, comfy shoes as it is still a construction zone.

Opening remarks will be at 4:30pm.

6-8pm **Student Hosted Potluck with Reckless Breakfast**

Join us for an informal potluck in the White Farm House hosted by the Farm Club featuring live music from the bluegrass band Reckless Breakfast. Please bring a dish if you plan on attending.
