

The Dartmouth Chapter of NAACP
Proudly Presents...

No Boxes, No Labels

The "No boxes, No Labels Symposium" will be an inclusive, multiracial, multicultural gathering of Dartmouth student, various Affinity groups, and Greek Organizations from the Dartmouth Community. The "No boxes, No Labels Symposium" will focus on self-reflection, allyship, and community building. Facilitated by the Dartmouth College's NAACP chapter, participants will develop an appreciation of their own identities, build effective cross-cultural communication skills, and better understand the nature and development of effective strategies for social justice through various activities and small group dialogue. This will truly be a breakthrough event that you do not want to miss!
