

the future at work

What is it like to be a summer intern within Equities at Credit Suisse in Japan?

What level of duties are interns assigned?

What is a typical day in Equities Sales?

How to choose between Equities Sales and Research?

What is the culture in the Credit Suisse Japan office?

Join our events to have your questions answered and get first-hand information and insight from senior managers and recent graduates from Equities Sales, Trading and Research and get a head start on your career decisions

We primarily fill our full-time positions through our summer internship programs, joining us as an intern will give you a head start in building a long-term career in Japan. We screen and identify strong talent through events, **we also will not attend the Boston Career Forum this year**, therefore registering and attending these events will increase your chances of securing an interview in October 2016 for the Japan summer internship programs in 2017.
