Wednesday, May 10 – Thursday, May 18	Fall term course election period

ARTICLE OF THE DAY

Why Heart Disease in Women Is So Often Missed or Dismissed

By Anahad O'Connor, *The New York Times*

“New research shows that women may not realize their symptoms point to heart trouble, and that medical providers aren’t picking up on it either.”

<https://www.nytimes.com/2022/05/09/well/live/heart-disease-symptoms-women.html>

If you would like to submit an article or video related to medicine, healthcare, social determinants of health, etc. to be featured in our weekly newsletter, then please out [THIS FORM](#).
