Join us!

Learn about our school's primary care mission that offers an innovative three-year, accelerated curriculum, a directed-pathway to residency in primary care disciplines at NYU Langone Hospital-Long Island, and full-tuition scholarships for all students, regardless of need or merit.

For more information visit our website medli.nyu.edu or email Medli.admissions@nyulangone.org.

NYU Grossman Long Island School of Medicine's mission is to develop preeminent physician leaders and a diverse workforce through scholarship and innovative medical education design anchored in the principles of primary care and health systems science. Our vision is to improve the health of the communities we serve by advancing medical education, scientific discovery, and comprehensive, equitable, collaborative health care delivery.
