May 2, 2014

Dear Ms. Luce,

On behalf of the Flying Tiger Historical Organization I would like to invite you and the Upper Valley Community Band to attend and play at the ceremonies planned for 2015 as part of a year-long celebration to honor the 70th anniversary of the end of WW II. This very special commemorative event will be held at the Grand Opening of the new Flying Tiger Heritage Park & Museum in Guilin, China, on March 28, 2015.

This museum will be the largest museum in China honoring all the American forces who fought for and with the Chinese against the Japanese in WW II. It is located on the site of General Claire Chennault's Command and Operations cave which was part of the Yang Tang airfield from which the Flying Tigers flew.

For a greater understanding of the Flying Tiger Heritage Park & Museum and the Flying Tiger Historical Organization's part in it, please visit our web site-
